Securities margin trading business attended by top 10 shareholders (if any)	Not applicable		

Whether the Company's top 10 common shareholders and top 10 common shareholders with unlimited sales conditions agreed on a repurchase transaction during the reporting period

Yes No

The Company's top 10 common shareholders and top 10 common shareholders with unlimited sales conditions did not agree on a repurchase transaction during the reporting period

2. Total number of preferred shareholders and the top 10 preferred shareholders' shareholdings of the Company

Applicable Not applicable

Section 5: Important Matters

I. Cases and causes for the change in the main financial data and financial indexes during the reporting period

Applicable Not applicable

1. Balance sheet items

- The monetary capital increased by 47.74% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the increase of the company's payment collection and the decrease of the amount of money to purchase the bank financial products.
- The advances to suppliers increased by 38.22% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the increase in the purchase of raw materials.
- Other current assets decreased by 35.91% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the decrease of the bank financing in the current period.
- Available-for-sale financial assets decreased by 100% at the end of the reporting period compared to the beginning of the year and other equity instrument investments increased by 100% compared to last year, which were caused by the change in the reclassification of items.
- The long-term equity investment increased by 81.34% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the profit increase of De Dietrich Trade (Shanghai) Co., Ltd. invested by the company in the current period.
- The construction in progress increased by 36.58% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the infrastructure investment in Maoshan Intelligent Manufacturing Park in the current period.
- The long-term unamortized expenses decreased by 80.94% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the amortization of long-term deferred expenses in previous period.
- The accounts payable increased by 31.88% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the increase in the purchase transactions with the sales revenue in the current period.
- The payroll payable decreased by 90.93% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the payment of employee salaries and bonuses last year.
- The tax payable increased by 64.30% at the end of the reporting period compared to the beginning of the year, which was mainly caused by the increase in the income tax expenses in the current period.

2. Income statement items

- The non-operating income decreased by 52.49% in the reporting period compared to the last year, which was mainly caused by the decrease of the government subsidies in the current period.
- The non-operating expenditure increased by 217.58% in the reporting period compared to the last year, which was mainly caused by the increase of the donation outlay and the scrap of some products in the current period.

3. Cash flow statement items

- The net cash flow from investment activities decreased by 227.81% in the reporting period compared to the last year, which was mainly caused by the company's payment for the investment fund for merger and acquisition of Kinde last

year and no major investment projects in current period.

II. Progress of important matters and their impact and solution analysis

Applicable Not applicable

Implementation progress of share repurchase

Applicable Not applicable

Implementation progress of reducing repurchased shares by centralized competitive bidding

Applicable Not applicable
